5.2 UniVerse Impact Intellectual Property

All software, underlying code, visual design, user interfaces, trademarks, logos, and proprietary algorithms (including the AI Skill-to-Project Matching Engine) are the exclusive intellectual property of UniVerse Impact. These Terms do not grant you any right, title, or interest in the Platform or our intellectual property.

5.3 Verifiable Credentials

Impact Credentials issued to you remain irrevocably associated with your identity on the Platform. These credentials may be publicly verified by third parties utilizing the provided public verification URL (e.g., `/verify/[id]`).

The Platform employs an AI-powered Skill-to-Project Matching Engine that analyzes your registered skills, academic history, and stated interests to recommend NGO projects and internship opportunities. These AI-generated recommendations are informational only and do not constitute professional advice, guarantees of placement, or binding decisions.

6.2 XP and Impact Scoring

The Experience Points (XP) and Impact Level progression system (from "Changemaker Seed" to "UniVerse Legend") are calculated algorithmically based on user engagement and verifiable actions. We do not utilize AI to make automated decisions that produce legal or similarly significant effects concerning you without human oversight, complying with automated decision-making regulations globally.

7.1 Payment Processing

The Platform may facilitate the processing of payments for tuition, exam fees, library fees, activity fees, and other institutional charges. All financial transactions are processed securely via Stripe or equivalent certified third-party payment processors.

- Reports are routed exclusively to authorized Institution administrators and designated campus safety personnel.
- **BeeSafe is NOT a substitute for official emergency services.** In the event of a life-threatening emergency, you must immediately contact your local emergency authorities (e.g., 911 in the USA, 112 in Europe/India).
- The intentional submission of false, malicious, or prank safety reports constitutes a material breach of these Terms and will result in disciplinary action up to and including account termination.

10. Disclaimers of Warranties

THE PLATFORM, INCLUDING ALL CONTENT, SOFTWARE, FUNCTIONS, MATERIALS, AND INFORMATION MADE AVAILABLE ON OR ACCESSED THROUGH THE PLATFORM, IS PROVIDED ON AN "AS IS" AND "AS AVAILABLE" BASIS.
